**PRESIDENT'S MESSAGE**

As we near the end of the year, it also ends the first year of this current 2-year executive team. We've seen some changes and renewed momentum to bring the CSSA forward into current best practices for not-for-profit dog associations.

The website is being updated to include larger storage capabilities so we can expand content while streamlining and modernizing CSSA business.

Establishment of Google Space Not For Profit status which, once developed, will tie right back into our web presence, allowing for improved ease of use including online forms, document retention, and accessibility for members.

Stage 1 of a CKC required By-law review is nearly complete with next steps being presentation to the CKC for a first review and comment. We'll then have continued discussion amongst the CSSA Board prior to presenting an Amendment Resolution to the membership for discussion with a vote of acceptance or rejection to follow.

A successful CSSA Herding Match was held in B.C. which has re-established CSSA Herding Trial status. Many thanks to volunteers Kristin Thomson and Karen Brearley for your organization, donation of facility and livestock to ensure we can host National Herding trials in October 2026.

The National plans are coming together with a tentative schedule of events shown elsewhere in this newsletter. The 2026 National Specialty to be held Oct 8-11, 2026, in Chilliwack, BC. The Shetland Sheepdog Club of BC is also holding their Specialty preceding the National so all the conformation competitors will have 6 sets of points available! Looking further ahead, we are also inviting interested parties to open discussions to host the 2028 National!

On behalf of the executive team, we extend our sincere wishes for wonderful celebrations as 2025 draws to a close and we look forward to the coming year. Play safe and enjoy!

*Cathy*

**EDITOR'S MESSAGE**

As 2025 draws to an end, it also draws to a close my stint on the executive - a term that has lasted 29 years. In that time, I was first the MB Director, (January 1997 - December 2004) then the president, then the website builder and finally, the newsletter editor. I want to thank all CSSA members for their support over the past three decades. The club has grown and evolved so much in that time, and I know it will continue to do so!

Best wishes to all this holiday season! Love your dogs, love your family and celebrate the season!

*Sherrie*

MEMBER CODE OF ETHICS

Revision: March 17, 2025

Established in 1988, the CSSA is the National Shetland Sheepdog Parent club of the Canadian Kennel Club (CKC) representing purebred Shetland Sheepdog activities, and to preserve and enhance the purebred Shetland Sheepdog. Incorporated under the Canada Not-For-Profit Corporation Act in 2008, the CSSA is a national membership organization.

The Code of Ethics (COE) are member guidelines for a high standard of ethical practices in the breeding, buying, selling and exhibiting of the Shetland Sheepdog. Members agree to adhere to the By-laws, rules and regulations established by the CSSA Board of Directors and the CKC where applicable. It further recognizes that membership in the Club automatically obligates individuals to this Code of Ethics.

1. Members shall promote honesty, integrity, sportsmanship and cooperation among breeders, owners, and exhibitors of Shetland Sheepdogs for the benefit of the breed.
2. Members shall strive to educate, or direct toward resources that can educate, any novice owner who wishes to become involved with breeding and/or showing of the breed.
3. Members shall not speak on behalf of the CSSA unless granted permission by its Executive.
4. Members shall provide adequate shelter, nutrition, socialization, veterinary care and exercise for their dogs ensuring they are maintained in a safe and sanitary environment.
5. Members shall not knowingly aid, abet, sell or supply any dogs or stud services/brood matrons to pet stores, wholesalers, raffles, lotteries, auctions, flea markets, consignments, laboratories (unless sanctioned by the CSSA) or as give-away prizes. Nor shall they place their own dogs using a Rescue Service.
6. Members accept full responsibility for their breeding practices and shall take back dogs where an owner can no longer care for the dog or shall assist in re-homing said dog. Further, a member breeder of a rescued Sheltie, will upon notification from a recognized rescue organization, attempt to retrieve the dog from rescue in order to provide for the dog's care.
7. Breeders shall be familiar with and agree to abide by all Canadian Kennel Club rules and regulations including registration of litters, individual dogs, transfers of ownership and maintenance of accurate records of breeding, pedigrees, and sales.
8. Breeders shall provide purchasers with details as to the health and care requirements of the dog. Permanent tattoo or microchip, and a record of vaccination shall accompany each dog when it leaves the premises. It is recommended puppies are placed after 8 weeks of age, having been health checked by a licensed veterinarian and receiving initial immunization.
9. The overall objective of a member's breeding program shall be to strive for breed improvement by breeding to the CKC Shetland Sheepdog Standard. Prior to breeding, all breeding stock should be screened for genetic disorders, such as but not limited to, current OFA CHIC breed specific guidelines.
10. Breeders shall consider the age, health and welfare of their dogs before breeding them and will proceed with caution to avoid harm.
11. Breeders shall strive to place any dog discharged from their care in a home that will adequately provide for the health and welfare of the dog and shall be discriminating in the placement of breeding stock.
12. It is recommended that all contracts, agreements, and guarantees be in writing and include all agreed upon terms. Members shall honour in full, all terms they give in said documents.
13. Advertising by members will be as factual as possible and shall not be false or misleading.
14. Failure to adhere to this Code of Ethics may result in termination of membership as per the By-laws of the corporation. Members that lose CKC privileges or are in contravention of federal or provincial animal welfare legislation, will automatically lose CSSA membership.

## CSSA Regional Director's Report: Québec & Ontario North/East - Christian Attong

As the winter months begin to settle in, many of our shelties are starting to blow their coats - a sure sign that the colder weather is here to stay. While grooming (and vacuuming) can feel endless this time of year, it also offers a valuable opportunity to see your dog's outline more clearly and evaluate structure. Consider whether your breeding program is moving you closer to your ideal and the breed standard, and where improvements may be made.

As we take stock of our dogs' physical qualities, this season naturally invites a broader pause: a chance to reflect on the past year and set meaningful goals for 2026 in both the ring and the whelping box. Thoughtful planning now ensures that dogs, owners, breeders, and handlers are well-prepared when spring arrives.

In that spirit of preparation and growth, I am also very pleased to report encouraging news from Quebec: a new provincial Shetland Sheepdog club, the Quebec Shetland Association (QSA), is in the final stages of official recognition. Built on principles of integrity, transparency, and respect for the breed, the QSA is dedicated to preserving authenticity and promoting excellence in all aspects of sheltie ownership - from responsible breeding and education to participation in CKC-sanctioned events. The association will provide a collaborative space for breeders, exhibitors, and enthusiasts across the province.

For membership inquiries, please contact: [quebecshetlandassociation@outlook.com](mailto:quebecshetlandassociation@outlook.com)

Congratulations to all who have achieved notable results in conformation and performance this year. Reminder to all members to share your notable wins, titles, and accomplishments with your regional directors for inclusion in the newsletters. Whether it's a new championship, a performance title, or a special milestone, your achievements help highlight the dedication and passion within our sheltie community. If you've had a great moment this season, please send it in. We'd be delighted to showcase it.

## Alberta Director's Report - Marcia Haw

News from Carol Williams - Liska Shelties

Carol Williams enjoyed a few great years with her homebred Shelties.

Bindi Sue finished 2024 Obedience as top Sheltie and #3 in the Herding Group, as well as earning her Master Obedience Trial Champion, Rally Master and Novice Sprinter titles. For 2025 Obedience she is currently sitting as #1 Sheltie and #4 in the Herding Group, and earned her Advanced Sprinter, Chase Ability and Versatility Novice titles as well. Thoroughly enjoying working with Mom and just loves Sprinter and Chase Ability! Bindi Sue is now MOTCh Liska I Love A Rainy Night, RM AS CA VN CGN Am RI, with five High in Trial wins to her credit.

Lyric had a great 2024 in Conformation on both sides of the border. She earned her Grand Champion title in Canada. In the US she was WB at the American Shetland Sheepdog Association national specialty out of 177 class bitches, then quickly finished her American Championship and is just 5 points shy of her American Grand Championship. While down in the States, she was BB from the classes to finish with a Specialty win, and earned another Specialty BB and a Group 2. In Canada, Lyric earned her Novice Sprinter title. Lyric is now GCh Am Ch Liska Shadows in the Moonlight, NS CGN. In 2025 she took time out for puppies so was only shown one day and was Select Bitch for another 4 points towards the bronze title (2/3 of the way there).

In 2025 Lyric's son Cirrus became her second champion, and he is now Ch Miqelon Maestro Bi Liska. He is the second champion to finish in this litter, with another littermate on 5 points. And – another sibling earned her Rally Novice and Rally Intermediate titles for owner Lynda Robertson, Liska Concertina Bi Miqelon, RI CGN. It was my honour to have co-bred this litter with my late friend Denise Cornelissen, who had a wish to breed one last litter and so we did this joint breeding of my Lyric to GCh Miqelon Eye Spy. I know Denise is smiling down now on this 2 1/2 champion/rally titled litter – watch for my girl Willow in 2026.
